BOYS & GIRLS CLUB

B&GCA Pre-Teen Center

The summer fun continues for pre-teens & teens

Now that June's "Sports Week" has you in shape for the rest of summer, the fun has just begun! Participation is open to all registered Boys & Girls Clubs of Sasebo's Pre-Teen and Teen Center members ages 10 - 18. If you are not yet registered, stop by either of the centers located both in the Main Base and Hario Housing areas.

Monday, July 10 to Friday, July 14 is "Beach Week." Don't waste your summer sitting around at home while you could be enjoying some of Kyushu's most beautiful beaches; Osaki Beach, Karatsu Beach, Neshiko Beach, Kashimae Pier (kayak enthusiasts will have a chance to get certified for an additional $35) and Sasebo's own Shirahama Beach. The fee for this fun-in-the-sun week is $64.

Monday, July 17 to Friday, July 21 is "Mission: Xtreme." The cost of this camp is $80 and will include an exhilarating trip to Mitsui Greenland Amusement Park, dodgeball and indoor soccer challenge, summer snowboarding at BigAir Fukuoka, a survivor overnight camping trip and an extreme day of basketball, volleyball and rock wall climbing.

Monday, July 24 to Friday, July 28 we're cooling off the peak of the summer heat with "Mizu (Water) Week." The week will start off with bowling matches at the Spare Time Recreation Center and cool down with water games at the Main Base Pool. If the pool cannot quench your swimming desire, a Miyazaki Ocean Dome visit will do the trick. The water fun continues with a boat ride down the canals in Yanagawa, a splash at Juli Platz and a close out of the week with a Midnight Madness Pool Party. This wet and wild week is only a cool $68.
